

“*Number 1 – service is very responsive.
Number 2 – first-class improvements.
Number 3 – location.
Number 4 – do you really need a ‘number four?’*”

I could expound on my list and say that Oxford answers my calls in a snap; the improvements to the buildings make Burlington a first-rate facility; and being close to the State Street exit for 94 makes access a breeze. I could say all that, but why? The bottom line is office space with Oxford is good for our business.
